Attachment 2: Functional Requirements

Line 72: Please delete and replace with following:

Solution may be developed by, implemented by, maintained by, and supported by a single vendor, however implementers will be considered if that implementer has previously completed projects with the selected software solution and has collaborated with all integratable systems. The project with implementer and software vendor including all integrations must be within the original budget.

The above specifications by virtue of this addendum become a permanent addition to the above referenced ITB. Failure to return this signed addendum with your bid response may result in rejection of your bid.
