

Just a reminder to customers who de-activate their sprinkler accounts for the winter:

- If you turn off your meter for the winter months, call our Customer Service Center at (501)372.5161, select Option 6, and let us know. There will be no de-activation fee.
- You also have the option of having us turn off the meter for no additional fee.
- In the spring when you re-activate your sprinkler account, you may turn on your meter and call our Customer Service Office to let us know. Your account re-activation fee will be only \$5. You also have the option of having us turn on the meter for a \$15 turn-on and re-activation fee.
